### **About Vocus**

Vocus Group Limited (ASX: VOC) is a specialist fibre network services provider operating Australia's second largest inter-capital network as well as back haul fibre connecting most regional centres in Australia. Vocus also operates an extensive and modern network in New Zealand, connecting the country's capitals and most regional centres. In total, the Vocus terrestrial network is c.30,000 route-km of high performance, high availability fibre-optic cable supported by 4,600km of submarine cable connecting Singapore, Indonesia and Australia and 2,100km of submarine cable between Port Hedland and Darwin and connecting offshore oil and gas facilities in the Timor Sea. Vocus owns a portfolio of brands catering to enterprise, government, wholesale, small business and residential customers across Australia and New Zealand.
